

Wouldn't It Be Nice If You Could Find A Way To Defer Paying Income Taxes?

You can. It's called a tax-deferred annuity. In addition to tax deferral, you could enjoy some of the following:

And the interest accumulates free of current state and federal income tax. That's right, no reporting and no 1099s, unless interest is withdrawn. It is possible to control when and how much you will be taxed.

Fort Dearborn Life's tax-deferred annuities can help you enjoy a comfortable retirement.

Surrender Charges may apply on early withdrawal or surrenders unless otherwise waived by the contract.
Products not available in all states. Fort Dearborn Life is not licensed in New York.

Withdrawals may be subject to tax and/or tax penalty.
Please consult a tax advisor for more complete information.
